

2006 Flower Festival

The 2006 Flower Festival was dedicated to our dear friend Ed Driscoll who tragically died on the 20th May 2006. He unselfishly gave his time and talents for the benefit of this village and its residents. His passing leaves a void in our midst. His strong character and good humour will be greatly missed by everyone whose life he touched. The displays in the Church depicted trades of bygone Monyash including blacksmith, wheelwright, cobbler, spinner, rope maker, candle maker, lead mining and, of course the pub!
